

Eighth Annual
PCA Riverside Region
Porsche Timeline Exhibition

Saturday, September 25, 2010, 10:00AM to 3:00PM

Lake Arrowhead Village

The **Porsche Timeline Display** features cars which illustrate the evolution of Porsche automobiles from the early 1950s to the present. Cars are displayed in chronological order along the lake arrowhead waterfront and throughout lake arrowhead village. The exhibit includes placards which discuss the features of the various models. Each car has a data sheet which includes specific historical and other information of interest. Participants have a chance to relax in a pleasant location, display their cars to other owners and members of the public, and discuss the significance of the cars with the public and other exhibitors.
